Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Stop your dissatisfaction and misfortune, and start living and managing your life! Learn to get rid of things that burden you, such as fear, anger, envy, malaise, resentment and illness! Think about the meaning of your life and find happiness and the path to true wealth! By understanding of our daily problems and the knowledge of how to live properly and how to use the self-healing method, we can make our lives easier and find shortcuts to our life goals and fortune. We will achieve it by using and respecting the rules and advices in this book. Everything we need is inside this book. Many books and thoughts are written about spirituality and happiness. The point is not just to read the book and then put it aside. The book should serve as a guide to us, or a kind of instruction manual of our life. It contains everything we need. We just need to find the right thing and stick to it. Each chapter, which deals with one rule, consists from some important sayings that confirm...
