Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. [Being an extract from the singular journal of JOHN M'ALISTER RAY, student of medicine.] September 11th.-Lat. 81 degrees 40' N.; long. 2 degrees E. Still lying to amid enormous ice fields. The one which stretches away to the north of us, and to which our ice-anchor is attached, cannot be smaller than an English county. To the right and left unbroken sheets extend to the horizon. This morning the mate reported that there were signs of pack ice to the southward. Should this form of sufficient thickness to bar our return, we shall be in a position of danger, as the food, I hear, is already running somewhat short. It is late in the season, and the nights are beginning to reappear. This morning I saw a star twinkling just over the fore-yard, the first since the beginning of May. There is considerable discontent among the crew, many of whom are anxious to get back home to be in time for the herring season, when labour always commands a high price upon the Scotch coast. As yet their displeasure is only signified by sullen countenances and black looks, but I heard from the second mate this afternoon that they contemplated sending a deputation to the Captain to explain their grievance. I much doubt how he will receive it, as he is a man of fierce temper, and very sensitive about anything approaching to an infringement of his rights. I shall venture after dinner to say a few words to him upon the subject. I have always found that he will tolerate from me what he would resent from any other member of the crew. Amsterdam Island, at the north-west corner of Spitzbergen, is visible upon our...
