Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Willfully Repellent: Madness of Pooh Book One The exciting first installment in the Madness of Pooh serialized novel! Pooh needs soldiers.child soldiers. One can't very well battle the Candyman without them. So begins his quest through time to gather the forces the immortal imp will need for the coming war. One hitch though: Pooh must first find a way to corrupt and kill young boys in order for them to be sent to the realm known as The Isle where Candyman is lord and god in order for the rebellion he wants to lead to take place. Not just any boy gets banished to The Isle after death. That requires a boy to have been involved in some very delinquent behavior even when said behavior was forced on them. In Book One Pooh introduces Thomas, a brilliant young boy being sought by the Nazis, who is desperately needed for his unique ability to create winning strategies and predict the moves of his enemies. Cunning is in Thomas' blood along with his own desires for oddly-shaped appendages and casual cruelty. Then comes a young man named Mark, the main focus of Book One, who is rather talented at seducing boys into his bed chambers- a talent Pooh plans to utilize to create his expendable foot soldiers. Willfully Repellent is indeed willfully repellent to many, but is done so in order to enter the minds of predators and prey, challenge doctrine and judgment, explore dominance and submission, and empower the walking wounded. This time the boys strike back! *** This series brings you the tales of a once mortal anti-hero named Pooh, a physically preteenish boy with a taste for men, pain, and depravity and the powers...
